

REGIONAL SMOKE TAINT SENSORY PANEL WORKSHOPS

The purpose of these workshops is to establish regional smoke taint sensory assessment panels across regional Victoria that can reproducibly assess smoke characters in micro-ferments and finished wines following future smoke events.

Time	Agenda
09:15 – 09:45	Registration
09:45 – 10:00	Workshop introduction and purpose
10:00 – 10:30	Perception of smoke taint and best sensory practices
10:30 – 10:45	Screening of tasters' sensitivity to smoke taint glycosides
10:45 – 11:00	Familiarisation with smoke taint compounds
11:00 – 11:30	Break
11:30 – 12:15	Sensory exercise – Real smoke tainted samples
12:15 – 12:45	Sensory exercise – Pinot Noir winemaking techniques
12:45 – 12:50	Tasting results
12:50 – 1:00	Development of regional panels and next steps
	Workshop concludes

This workshop is made possible by the Wine Victoria Bushfire Technical Response Program which aims to deliver a suite of technical support activities for Victorian grape and wine producers affected by bushfires.

Booking is essential. Please register via the link to the session you wish to attend.

All workshops will be held 9:45 am – 1:00 pm
