This workshop is made possible by the Wine Victoria Bushfire Technical Response Program, which aims to deliver a suite of technical support activities for Victorian grape and wine producers affected by bushfires.

Due to COVID-19 restrictions, these workshops will be offered online, including the tastings. Bookings are essential and will close on **Wednesday 27 October**, to allow time to courier the samples to your nominated address. To participate in this workshop, you will require up to 12 glasses, hardware, and internet access to participate in a Zoom event and a mobile phone or tablet with internet connection to access the online sensory rating software.

Booking is essential. Please register via the link below to the session you wish to attend.
